* A choice is suggested between the visit to the proving grounds and extended excursion program in the pleasant historical suburbs of St.Petersburg.

If you want to join the visit to the proving ground, please enter your personal <a ONLINE Registration page (<http://onlinereg.ru/aevents2/ae2.php?go=107>).

There you will see the button **[TestSiteVisit]**. Please click this button, and at the open page tick the checkbox beside the line "Yes, I want to visit the test site on Wed. 22 July".

If you prefer to take part in the extended excursion program, just take no action.
