

Spin Waves 2015 International symposium

St. Petersburg, Russia
June 7-13, 2015

TOPICS

1. Ultrafast magnetization dynamics
2. Excitations in quantum and frustrated magnets
3. Spin waves on surfaces and in multilayers
4. Spintronics and magnetism at the nanoscale
5. Magnonics, magneto-photonics, magneto-plasmonics
6. Spin-related phenomena in multiferroics
7. Nonlinear spin-wave phenomena and relaxation processes
8. Novel probes of magnetism: THz, X-rays, neutrons, etc.
9. Spin-torque effects: oscillators, switching, DW motion
10. Advances in spin-based devices and technology

IMPORTANT DATES

Abstract submission deadline	March 1
Abstract acceptance notification	March 15
On-line registration	March 15 – May 10
Advanced payment deadline	June 1
Symposium opening	June 8 at 10 am

ORGANIZING COMMITTEE

L. A. Prozorova, Chair (Institute for Physical Problems, Moscow, Russia)
S. A. Nikitov (Institute of Radioengineering and Electronics, Moscow, Russia)
R. V. Pisarev (Ioffe Institute, St. Petersburg, Russia)
Th. Rasing (Radboud University Nijmegen, The Netherlands)
A. Slavin (Oakland University, USA)

PROGRAM COMMITTEE

A. V. Kimel, Co-Chair (Radboud University Nijmegen, The Netherlands)
A. I. Smirnov, Co-Chair (Institute of Physical Problems, Moscow, Russia)
Yu. A. Filimonov (Institute of Radioengineering and Electronics, Saratov branch, Russia)
A. A. Fraerman (Institute for Physics in Microstructures, Nizhni Novgorod, Russia)
B. A. Ivanov (Institute of Magnetism, Kiev, Ukraine)
A. M. Kalashnikova (Ioffe Institute, St. Petersburg, Russia)
B. A. Kalinikos (St. Petersburg Electro-Technical University, Russia)
A. Kirilyuk (Radboud University Nijmegen, The Netherlands)
A. A. Mukhin (Institute of General Physics, Moscow, Russia)
S. G. Ovchinnikov (Kirensky Institute of Physics, Krasnoyarsk, Russia)
V. V. Pavlov (Ioffe Institute, St. Petersburg, Russia)
O. A. Petrenko (University of Warwick, UK)
A. K. Zvezdin (Institute of General Physics, Moscow, Russia)

LOCAL COMMITTEE

R. V. Pisarev, Chair
V. A. Babenko
A. M. Kalashnikova
V. V. Pavlov
P. A. Usachev
In association with
Agency for Science and Technology “Intellect”

SUPPORTERS

Russian Academy of Sciences
